**Congratulations to David Flynn who captained the Roscommon Minor Football-team to the All Ireland Final**

## **Community Centre**

You will be glad to know that the refurbishment of the Community centre will start very shortly. Because of the generosity of those who supported the draw and other projects and the grant from Leader, it will be possible to carry out phase one without going into debt. The builder has emphasised, for health and safety reasons, that no unauthorised person will be allowed in the community centre or the surrounding grounds while the building is going on.

## **Damage to Church property**

We regret to say that a lot of damage, costing several hundred euro, has been done to the two organs and some of the seats in the church. It is evident that this was caused by local children who, not only have caused the damage, but also have used the names of innocent children. The committee has asked me to point out that if this happens again further action will have to be taken. Children are asked to use the church only for prayer and parents are asked to emphasise this to them.

## **Congratulations**

Congratulations to Eoin and Fiona Murphy, Togher, on the birth of their baby, Saoirse.

## **Football success in Mosney**

While David Flynn is making a name for himself in GAA circles, Amy Shine has been involved in the Community Games in Mosney. The Drum and Clonown Community Games soccer team won a bronze medal at the games. Congratulations to all involved.

## **Mass in Cemetery**

There was a very large attendance at the annual Mass for the souls of those who are buried in Clonown cemetery, on 15 August. Canon Devine paid special tribute to Pat Fallon who continues to keep the cemetery in excellent condition. He also thanked Willie Shine and Dermot Fogarty who prepared the altar etc.

## **Community BBQ**

The community BBQ was held on 13 August. Those who attended were treated to wonderful food prepared by the committee and other members of the community. Thanks to all those who helped out, particularly Michael Gavin who ensured that the park, where BBQ was held, was ready for the occasion.
