### **Tea morning for Alzheimer's Association**

The tea morning, on Sunday, 17 May, in aid of Alzheimer's Association was a great success. Besides being an opportunity for people to meet, have a cup of tea and a chat after Sunday Mass it also was an occasion for the community to help others. The €785 raised will help those suffering from Alzheimer's disease. We wish to thank all those who contributed and who helped. A special word of thanks to all the children who tidied up afterwards leaving the place spic and span

### **Silver Jubilee**

Fr John McManus will be twenty-five years a priest in June. There will be special celebration for Fr John's Silver Jubilee on Thursday 25 June at 7.30 pm in the Church of SS Peter and Paul and afterwards in the Shamrock Lodge Hotel.

### **Pentecost Envelopes**

The Pentecost envelopes have been delivered to all the houses in the area.

### **Broadband**

Although Broadband has been available in the Cornafulla area for some time it has not reached Clonown yet. People in the area are still depending on dial-up access to the internet which is painfully slow. It is important that those interested in obtaining broadband would put pressure on Eircom to provide the service. We are more likely to have it installed if there is an obvious demand. Ring Eircom (Phone—1901 and pick the sales option). Also it would be a good idea to put pressure on our local politicians when they come looking for votes.

### **Elections**

Don't forget to cast your vote in the forthcoming elections—both local and European.

### **Monster Draw**

A monster draw, similar to the one held by Clonown Community Centre Committee, will be held shortly in order to raise funds needed for repairs on SS Peter and Paul's Church. The draw will be launched on 19 June in the Shamrock Lodge Hotel.

### **Examinations**

Best of luck to all those who will be sitting for the Junior and Leaving Cert examinations in June.

### **Summer Holidays**

Soon the children in the area will be starting their summer holidays and we wish them long, warm, sunny days of freedom from the restrictions of school life. However, we would ask all the children to remember that the church is a place of prayer that cycling is not allowed in the church grounds
