Cemetery Survey

The cemetery survey has now been completed. The organising group is grateful to all those who helped in identifying the unknown plots and other relevant information. A map is being produced and will be in place before Cemetery Sunday on 11 August. There may still be some errors or omissions and we hope that people present on that day will identify them. Please let a member of the group know so that the mistakes can be corrected. A permanent map will be erected before the end of August. If you have any relevant information please phone Teresa (6437143), Helen (6437261) or Michael (6437143) or email clonownheritage@gmail.com.
