### Proposed Play Area and Dressing Rooms for Clonown

The committee of the Community Field Project is waiting for the next round of Leader funding to be launched in order to apply for a grant for the proposed play area and dressing rooms. It is expected that this should happen within the next few months.

### Book of Photographs

We are still collecting old photographs of families, groups, events, and work activities, relating to Clonown and adjoining areas. The committee involved has been in contact with Leader and it is hoped to get some funding to offset some of the expenses of the publication of the book.

## Young Artists
